UNICEF Day for Children

UNICEF works around the world to promote and protect the rights of children. Working in over 150 countries and territories, we contribute to their well-being. Students were invited to wear Blue and donate a gold coin to support the day. We raised $76.90. What a great effort made by Class Coid who raised the most and thank you to all for your support.
On Wednesday a group of students from Wewak Street attended an NRL and NAIDOC day activities at Jelbart Park. During the morning students enjoyed practicing new skills and playing modified games to improve their new learnt rugby league skills. After a yummy BBQ lunch students participated in activities including Aboriginal painting, dancing and games. It was a great day and our students did the school proud.
