WORLD TEACHERS DAY

Today is World Teachers Day. I would like to take this opportunity to thank the teachers at Wewak Street School for the hard work and dedication they bring to the school every day in order to inspire our students to learn to the best of their abilities.

GRANDPARENTS DAY

Thank you to everyone who came along for Grandparent’s Day. We hope you enjoyed your time as our students had a lot of fun entertaining you with their choir and gymnastics talents.
Healthy Eating

- Select fruits like bananas, avocados, and stone fruit at different stages of ripeness so you can eat them as they ripen.
- Sandwiches are a great way to get lots of different healthy ingredients into your kid’s diet, especially vegies.
- Mix and match with these filling ideas: ham, cheese slices, tuna mixed with mayonnaise, grated carrot, mashed egg or boiled egg slices, cucumber slices, shredded lettuce leaves, tomato slices, mashed kidney beans, alfalfa sprouts, creamed corn.
- Water should be the main drink of the day for kids to stay hydrated. Avoid drinks high in energy like soft drinks.

**Top tip:** In summer months, freeze water bottles and strap them to lunchboxes to keep the food cold.
