DROP OFFS & PICK UPS
The area at the front of the school can be very congested with students, parents, cars and taxis during the morning drop off and afternoon pick up times. This can cause numerous safety issues. In order to manage the risks could parents please only use the pedestrian gate at the front of the school rather than the gates that have traffic passing through them.

Thank you for your assistance.

Proud and Deadly Awards 2014
The Proud and Deadly Awards recognise and celebrate the many achievements that Indigenous students at Wewak Street School have made over the year. Tia Kissier, Baden Bennett and Jordin Free were honoured at the 2014 Albury Proud and Deadly Aboriginal Student awards on the 14th November at Albury HS. Tia received her award for Year 12 completion and both Baden and Jordin received awards for encouragement. Well Done.
**WEWAK STREET SCHOOL CONCERT**
The Students and Staff of Wewak Street School invite you to join us on the school grounds on Tuesday 9th December at 6.30pm for 7.00pm start for the presentation of Annual Awards followed by 2014 School Concert. A sausage sizzle will be available for $2 each and drinks $2. Please bring your own chair or picnic rug. The P&C Association will also be holding a raffle and tickets will be available before the presentation. Please also remember that school grounds are alcohol and smoke free zones.

**Albury Waste Management Centre Excursion**
Senior students were taken on a tour of this facility last Friday. Students were shocked at the vast amount of non-recyclable waste at the centre. The school teaches all students to Reduce, Reuse and Recycle. Please help us in this area by continuing to set a good example at home.

**World of Magic**
On Wednesday students enjoyed a wonderful magic show at the Performing Arts Centre. The school would like to thank local businesses and the Lions Club of Albury for making this performance possible for our students.

**Healthy Eating Tip**
Involve your children in shopping and preparing fruit and vegetables. When preparing vegetables put some aside, cut into fine strips and offer them to your child as a snack.
