SPORT NEWS

The students have had a great term participating in whole school sport. The students have completed a sports unit teaching them skills and techniques for cricket and basketball. As a special reward for their excellent participation this term the students will have a ‘water fun’ day for sport next Tuesday. The students will participate in four water themed activities and must be wearing swimmers or clothing that can get wet. Please advise your student’s classroom teacher if you do not want your child to participate in the reward activity.
