VALUES EDUCATION

Is your child showing good values at home? In school the children are working on these values and their importance. Please encourage your children at home and point out to them when they are displaying good values.

WONGA WETLANDS

On Wednesday 4th June, 2014 Class McKelvie travelled to Wonga Wetlands to celebrate World Environment Day. Students enjoyed a walk in the beautiful natural surroundings. They listened to the birds and looked out for animals. Sarah Benson turned 16 years old so the students helped her to celebrate with a birthday cake. The Border Mail came out and took a photo. It is important to appreciate our natural environment and preserve it for future generations.
Wet Weather

Clothing

School Captain Alison White is pictured wearing wet weather pants and the school jacket. Parents are asked to supply suitable clothes for the weather conditions in a bag for rainy days and even gumboots for outside if necessary. The school supplies a wet weather jacket for each child to wear at school.

STRING QUARTET PERFORMANCE

Our students were very lucky this week to have a visiting performance by a string quartet from the Murray Conservatorium. The students were totally engaged by the beautiful music and we thank the Conservatorium for allowing the musicians to perform for us at Wewak Street School.
