**Wewak Dance Workshop**

Wewak Street School was delighted to have Virginia Ferris the choreographer of the NSW Schools Spectacular at our school to present a dance workshop for students from Wewak Street School and Billabong High School. The day began with a structured warm up session which was followed by students learning how to isolate their body during dance movements, building on choreographic sequences, how to use props (hoops, balls, ribbon sticks) in dance and the final activity was how to visually represent dance choreographic sequences using ribbons, craft materials, plates, and other props. The students all should be extremely proud of the way they participated during the day with such enthusiasm and passion. It was such an amazing experience for the staff and students at Wewak Street School.
**Glenroy School Visit**

On Monday of this week 15 Students from Glenroy School visited our school to work with our students on literacy activities. The students also put on a skipping display. It was a very successful morning. We are hoping to have another visit in term 4.
